

2017 International Conference on Advanced Manufacturing and Materials (ICAMM 2017)

The Hong Kong Polytechnic University

June 27, 2017

Conference Introduction

2017 International Conference on Advanced Manufacturing and Materials (ICAMM 2017) will be held in The Hong Kong Polytechnic University during June 25-27, 2017.

This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish research or business relations and to find global partners for future collaboration. Submitted conference papers will be reviewed by technical committees of the Conference.
